No 1786

Dated 14th September 1901

Sir,

I have the honor to enclose a petition which speaks for itself. If Government is in the habit of taking such cases as is here represented into consideration, I do not think they could find a more deserving one than this is. It has its special-ly sad features. Mr Omar Sheriff was a hard working young Officer of the Mysore Medical Service and was apparently practically the sole support of a very aged parent, as well as of a wife and two small children, all of which are now left or-phaned. The family is of ancient date, and Government in a former occasion saw fit to grant Mr Omar Sheriff a scholarship out of consideration ^{of} the poverty of his ancient and struggling family. It will not therefore be a departure from former procedure to-wards this family, if the prayer of this petition be granted, and the two children of the late Omar Sheriff be pensioned by Government in such a manner as to provide for their education and give them a start in life.

I have the honor to be

Sir,

Your most obedient servant
